

Evolution the fundamental lie
cosmic dust creation big bang
spinning ball earth
the censorship of logic
the brainwash generations

space travel to moon
the leaks about the play
NASA all the places we never went
5000 satellites in orbit

the south pole
1947 Byrd admiral
igy and outer ring treaty

world banking system
interest rates and stock markets
world wars about banking

oil is fossil fuel
project t bore USA and Russia
flood level fossils
oil level wells

have no cure for cancer
pretending to fund a cure
who
charities

Asama trade towers
blame politics of the world

the nuclear cold war

global warming

gravity does not exist only boyancy

federal reserve lies and
they got to keep it going
so they cover up

all disease from pathogens was cured
and demonstrated before the AMA
they terrorized the founder Rife

the satellite TV is not since there are no
satellites at all GPS is land tower based

weather control has been used globally
since the 1960

project high-jump knows there
is a dome and the circumference of the
ice wall Nasa pretends to go to space

project Dominic the tried along with Russia
to fire nuclear war heads into to dome
there was no cold war just lies
