Vaccines are faulty only partial at logic.

If you believe in evolution you probably got a vaccine if you believe the earth is a spinning ball you probably got a vaccine you probably got a vaccine if you think man went to the moon if you believe the cold war was real you probably got a vaccine if you think Admiral Byrd went to the south pole you got the vaccine if you think Oswald killed Kennedy you got the vaccine you really got the vaccine if you believe NASA has been to space if you think oil is a fossil fuel you got the vaccine if you believe there is no cure for cancer you got it the vaccine if you think the weather is only random you got the vaccine if you think the world trade centers were attacked you got a vaccine if you believe money has a real value you have got the vaccine if you believe Edward Snoden is a traitor you have got the vaccine if you believe the network news tells the truth you got the vaccine if you think a mask will prevent a virus yep you got the vaccine if you believe the president won the election you have the vaccine if you don't know child trafficking is prominent you got the vaccine if you think a lock.down.world was about our health your vaccinated if you don't think about why these beliefs are you got a vaccine

And it is not a cure but an indicator on how tricked you really are and how deep in the lies you have been kept by deceptions grand and now try to find out this for yourself if it is not to late for you.

The Fear of the Lord is the beginning of wisdom but fools despise instruction. All the above if's are false all lies not one of them true.

If you think you earn a way to heaven you don't understand Grace If you plan to have an excuse you don't understand the Creation If you hide in "God does not exist", you don't understand hiding If you put on the armor of God you will be able to stand in the truth If you confess what you know in your heart to Him you are called

if you think the moon causes the sea tidesyouif you think gravity is realyouif you think the Bible is not historyyouif you think the father of lies is not hereyou wayif you think this will all just go awayyou

you got the vaccine you got the vaccine you got the vaccine you will get the vaccine you want the vaccine

We are all in this but we are not all in this together. There are they who are ordained to this condemnation and to hide the truth in lies. Come out from among them and stand looking with hope unto the final calling where our faith will become the things we hope for in the Kingdom of the Lord God Almighty. Amen.

Vaccine is a preemptive attempt to stimulate the immunity to a coming change in the pathogen environment. It is also a way to inhibit a portion of the natural understanding and allow for a simplified reflex of not understanding at all in faulty partial logic.
